

## Skenario Pengujian User

No	Skenario	Langkah Pengujian	Hasil Yang Diharapkan	Hasil
1	Menampilkan album di halaman galeri.	Akses halaman galeri	Semua daftar album ditampilkan.	Berhasil
2	Menampilkan daftar foto saat album diklik.	Mengklik salah satu album pada halaman galeri	Judul album dan semua foto dalam album ditampilkan.	Berhasil

### 1. Menampilkan album di halaman galeri

```
tests > Browser > BerandaToGaleriTest.php
1  <?php
2
3  namespace Tests\Browser;
4
5  use Illuminate\Foundation\Testing\DatabaseMigrations;
6  use Laravel\Dusk\Browser;
7  use Tests\DuskTestCase;
8
9  class BerandaToGaleriTest extends DuskTestCase
10 {
11     /**
12      * A Dusk test example.
13      */
14     public function testExample(): void
15     {
16         $this->browse(function (Browser $browser) {
17             $this->browse(function (Browser $browser) {
18                 $browser->visit('/')
19                 ->clickLink('Galeri')
20                 ->assertPathIs('/galeri')
21                 ->assertSee('Album HMIF')
22                 ->pause(1000);
23
24                 $browser->script('window.scrollTo(0, document.body.scrollHeight/3);');
25
26                 $browser->pause(1000);
27
28                 $browser->assertDontSee('Belum ada album tersedia.')
29                 ->assertSeeIn('.album-item-test', 'Test album 10');
30
31             });
32         });
33     }
34 }
35
36
37
```

## 2. Menampilkan daftar foto saat album diklik

```
<?php

namespace Tests\Browser;

use Illuminate\Foundation\Testing\DatabaseMigrations;
use Laravel\Dusk\Browser;
use Tests\DuskTestCase;

class GaleriToAlbumTest extends DuskTestCase
{
    public function testExample(): void
    {
        $this->browse(function (Browser $browser) {
            $browser->visit('/')
                ->clickLink('Galeri')
                ->assertPathIs('/galeri')
                ->assertSee('Album HMIF')
                ->pause(1000);

            $browser->script('window.scrollTo(0, document.body.scrollHeight/1.5);');
            $browser->pause(1000);

            $browser->assertDontSee('Belum ada album tersedia.')
                ->assertSee('Berikutnya')
                ->clickLink('Berikutnya')
                ->pause(1000);

            $browser->script('window.scrollTo(0, document.body.scrollHeight/3);');
            $browser->pause(1000);

            $browser->assertDontSee('Belum ada album tersedia.')
                ->assertSee('Silaturahmi Keluarga Besar Informatika')
                ->clickLink('Silaturahmi Keluarga Besar Informatika')
                ->pause(1000);

            $browser->assertSee('Dokumentasi Kegiatan')
                ->assertSee('Silaturahmi Keluarga Besar Informatika')
                ->pause(1000);

            $browser->script('window.scrollTo(0, document.body.scrollHeight/3);');
            $browser->pause(1000);

            $browser->assertDontSee('Tidak ada foto tersedia di album ini.')
                ->assertVisible('.list-photo-test');
        });
    }
}
```
